### **Horizon School Division September 30, 2011 Enrolment**

Enrolment in Horizon School Division as of September 30, 2011 is 6274 Kindergarten to Grade 12 students. Combined with 98 Pre-kindergarten, 3 Early Entrance and 67 Home Based students a total of 6442 students were reported to the Ministry of Education.

“Just as other rural divisions have reported, we have once again realized a slight decline in enrolment,” stated Marc Danylchuk, Director of Education. “A declining enrolment certainly does present some challenges in these times of fiscal restraint. Due to the unwavering efforts of our partners in education and our outstanding staff, Horizon is able to provide a high quality education for our students. I wish to thank everyone for their dedication to education and for ensuring that Horizon School Division continues to be *A Community of Learning and Achieving*.”
