Horizon School Division Enrolment Numbers Released

Enrolment in Horizon School Division as of September 30, 2009 is 6458 Kindergarten to Grade 12 students. Combined with 92 Pre-kindergarten students and 7 Early Entrance students a total of 6557 students were reported on the Principal September Statistical Report (PSSR). The PSSR is an electronic report completed annually by the principal at each school and submitted to the Ministry of Education.

Marc Danylchuk, Director of Education for Horizon School Division, commented, "Once again Horizon School Division has recorded a slight decrease in enrolment as anticipated. However, the decrease is not as significant as projected. This is an encouraging sign for rural Saskatchewan and for the students and communities we serve. We will continue to work hard to ensure all students across the Division receive a quality education and that Horizon will continue to be "A Community of Learning and Achieving.""
