**Re:** Horizon School Division Vaccination or Proof of Negative Testing

---

Good afternoon Horizon Staff,

We hope that you have been enjoying the warm fall weather and have had a meaningful first month of learning. Our highest priority at Horizon School Division is the health and safety of our students, staff, and families, and this memo will outline our response to the provincial vaccine mandate or negative test requirement that was implemented on October 1, 2021.

Proof of vaccination shall not be required for students to attend school. However, there are guidelines around close contacts attending school and extracurricular activities based on the recent Public Health Order, and these are outlined in the [full announcement](#).

We encourage you to visit [COVID-19 Vaccine](#) for more information on where to access vaccination in Saskatchewan, and see the full [Horizon School Division 2021-2022 COVID-19 Strategy](#) on our website.

Thank you for your patience as we work to keep our schools as safe as possible. Please do not hesitate to reach out to our office by phone (306 682 2558) or email ([horizon@horizonsd.ca](mailto:horizon@horizonsd.ca)) with questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kevin C. Garinger', is written over a light blue horizontal line.
