

Central District Athletic Association

Legacy District – 1948-1949 (?) to 2005-2006

District Champions Lists

1987-1988 to 2005-2006

(some champions data from earlier school years has been found and listed as well)

Notes:

- The CDAA was formed around the 1948-1949 school year. Very little CDAA champions data has been located for the years prior to the 1987-1988 school year.
- There were no Central District championships held in the sports of FOOTBALL nor WRESTLING.
- The CDAA ceased to exist after the 2005-2006 school year due to government-mandated school division amalgamation. In 2006-2007, the majority of the CDAA schools became part of the newly formed Horizon Central Athletic Association (HCAA), while others became part of the Central Valley Athletic Conference (CVAC), the West Central District Athletic Association (WCDAA), and the South Central District Athletic Association (SCDAA).
- If you have any information to add to this document (including spelling corrections or first names where applicable), please e-mail brian.grest@horizonsd.ca. Please indicate the school year, the activity, and the category as applicable.
