

Policy XV: Soccer Playdown

(Revised Dec. 8, 2009)

There will be no HCAA (District) playdowns in **senior soccer** as all teams may choose to enter into the SHSAA playoffs through SHSAA Conference play.

The District Championship in **junior soccer** (boys and girls) will be awarded to the HZSD League Champion. Thus, it is expected teams competing for the District Championship pennant will join the HZSD league. *In the event any junior team wishing to contend for the District Championship does not compete in a HZSD league, the HCAA Executive (or appointee) shall determine the manner in which the District Champion shall be determined.*

The rules (e.g. length of halves) for District junior soccer shall be determined by the rules set for HZSD jr. soccer leagues.

In the event two boys or two girls HZSD leagues have been formed, the winner of each league will play a one-game championship with the home team rotating each year.

Rules regarding number of players and substitutions will follow the SHSAA Handbook.
